

1 1/4 CORRUGATED

Note: Produced on-site at select locations as Corrugated panel.

With the reputation of strong ridges and uncompromising stability, the 1 1/4 Corrugated panel is the preferred option for builders who value exceptional quality. Resilience that has only grown with time, the 1 1/4 Corrugated panel will always stay in style whether you are working in the residential, commercial, agricultural or post-frame industry.
